Summary
FUSE is a national nonprofit dedicated to increasing the capacity of local governments to engage communities, advance equity, and work more effectively for everyone. Founded in 2011 by a group public-, private-, and social-sector leaders, FUSE assists communities in adapting to constantly evolving sustainability challenges. FUSE administers an executive fellowship-based model funded through philanthropy to accelerate community-based, renewable energy focused programs and projects.

Two City of Phoenix sustainability programs that accord with FUSE's

criteria were identified for the Executive Fellows:

-The first Fellow would help organize and promote the forthcoming Solar for All program to Phoenix residents. The City partnered with the State of Arizona in applying for the Solar for All grant, which was awarded $156 million through the Federal Inflation Reduction Act. The Fellow will work with City departments, community-based organizations, and the State of Arizona to widely market the program to Phoenix low- and middle-income residents to ensure a significant portion of the funding flows to Phoenix residents.

-The second Fellow would be dedicated to evaluating and advancing solar energy development on City property. This role will require experience with solar development, as well as strong leadership, project management, and collaboration-building skills to work closely with local utilities, solar developers, and City departments in locations where the issues are complex and involve multiple stakeholders.

Contract Term
The contract will begin Spring of 2025 for a one-year term with a one-year option to extend.

The Office of Sustainability has the funding to cover the City's portion of up to $80,000 for two Fellows for up to two years, using existing grant funds from the U.S. Department of Energy that previously supported the Energize Phoenix Program. All program funds and expenses will be covered within the existing Office of Sustainability budget.

The City will have the option to terminate the agreement with FUSE at any time and the City's costs will be prorated based on the amount of time each Fellow provides to the City.

43 Designated Aviation Channeling Services Contract - AVN RFP 19-026 - Amendment (Ordinance S-51429) - District 8

Request to authorize the City Manager, or his designee, to execute an amendment to Contract 151331 (Contract) with Telos Corporation to extend the term of the Contract. No additional funds are needed. Further request to authorize the City Manager, or his designee, to continue using Ordinance S-46161.

Summary

The Contract currently provides Designated Aviation Channeling (DAC) services, which manages background check processing, fingerprint-based criminal history record checks, security threat assessments (STA), and vetting services that notify the Aviation Department's (Aviation) Security Badging Office of changes in badge holder history. The DAC Contract allows for the transmission of data to the Transportation Security Administration (TSA) for STA background checks. Aviation uses an existing Identity Management System (IDMS) that is integrated with DAC to manage the security processes and programs.

In early 2024, Aviation entered into a new contract to upgrade the existing IDMS software to a substantially newer version. This software upgrade effort is occurring in parallel with the implementation of a new IDMS system from a different contractor. Both projects are complex and require the DAC for ongoing implementation and testing. The relocation of the Security Badging Office to Terminal 3 is also scheduled to be completed at the end of 2024. Transitioning the DAC during these projects would cause disruptions to badging services and pose risks to airport operations.

Aviation requests an extension of the current DAC Contract for up to one

year or until a new contract is in place, whichever occurs first, to allow for the replacement of the existing IDMS system in a controlled environment that would allow for a seamless transition. Aviation will conduct a competitive procurement for new DAC services without interrupting operations.

This item has been reviewed and approved by the Information Technology Services Department.

Contract Term
Upon approval the term of the Contract will be extended up to December 31, 2025.

Financial Impact
The value of the Contract will be up to $900,000 and no additional funds are needed.

The additional expenditures over the extended term will be up to $550,000.

Summary

The gate expansion project will require busing passengers onto the airfield and using boarding ramps to enplane customers at remote locations when necessary. The extension to the Contract's term will allow Aviation to purchase various types of additional passenger boarding ramps and equipment offered by Aviramp to ensure that PHX can meet the ever-growing demands of the traveling public and accessibility goals.

Contract Term

The Contract's term will be extended three years through January 3, 2028 for a total five-year term.

46 Phoenix Sky Harbor International Airport Terminal 4 Concessions Lease Extension (Ordinance S-51449) - District 8

Request to authorize the City Manager, or his designee, to negotiate and execute amendments to extend the terms of leases with Phoenix Sky Harbor International Airport Terminal 4 food, beverage, and retail concessionaires that are set to expire between 2026 and 2030, and other amendments consistent with this item.

Summary
The Aviation Department will be implementing Terminal 4 modernization projects that exceed $400 million over the next five years. These projects are needed to maintain the terminal building systems and passenger experience in Terminal 4, which is now more than 35 years old. Implementing these projects will require concessionaires to adjust their business operations during the construction period. Additionally, plans for the development of the new west terminal will result in a significant reallocation of airlines across the three terminals, impacting the ability for concessionaires to accurately forecast demand, develop a business plan, and amortize capital investments. A negotiated lease extension will assist these concession businesses in managing the construction impacts and will provide an opportunity for concession companies to re-concept some stores with new local concepts and brands or refresh existing storefronts without long-term disruption of services to passengers.

The concession contracts eligible for the negotiated lease extension will

be food and beverage contracts set to expire in June 2026, and retail contracts set to expire in December 2029 and November 2030. The proposed lease extensions will include an eight-year extension of the lease term with no options to extend. The key business terms to be negotiated include:

Rent based on percentage rent of gross sales, determined by store category and store location
Capital reinvestment plan
Small business partner opportunities
Brand re-concept and store refresh plans

As part of the negotiations, new provisions will be included in the lease agreements to require supporting Aviation Department workplace initiatives, such as childcare programs, partnering on customer experience programs, participating in annual financial and operational performance reviews, participating in the Aviation Department's sustainability program and Green Business Partner programs, and contributing to a new airport marketing program that will support promotion of concessions offerings. In addition, the amendments will contain other terms and conditions deemed necessary or appropriate by the City or the Aviation Director for airport operations and the passenger experience.

The concessions leases that will be amended by this action are leases: 131410, 133475, 143718, 143719, 144047, 144322, 144323, 144324, 145872, 145873, 145977, 146077, 146458, 146459, and a lease approved by the City Council on June 26, 2024, that is pending full execution with Casa Unlimited for a Terminal 4 Lobby food and beverage concept.

Contract Term
The proposed extension to the lease term will be eight years with no options to extend the term. The lease extensions are anticipated to commence on or about July 2026 for the food and beverage contracts, and on or about either January 2030 or December 2030 for the retail contracts.

Financial Impact

The negotiated percentage rent will commence with the beginning of the extended lease term. Extending the terms eight years for these Terminal 4 food and beverage, and/or retail concession contracts will result in no additional cost to the airport.

64 Consideration of Citizen Petition Related to Bus Route 27 Detour - District 1

This report provides the City Council with information in response to a citizen petition (**Attachment A**) submitted by Paul Simoes at the October 30, 2024, Formal City Council meeting related to the temporary detour of bus Route 27.

Summary

Route 27 is a fixed bus route that primarily utilizes 27th Avenue to operate between Deer Valley Road to the north and Lower Buckeye Road to the south. However, due to the design of 27th Avenue and its proximity to Interstate 17 (I-17), there are areas where the route utilizes other north/south directional streets. The petition submitted by Mr. Simoes pertains to one of those areas, whereby buses utilize 29th and 31st avenues, via Country Gables Drive, to travel between Greenway and Thunderbird roads. Route 27 has used these streets for decades, but in recent years the department has received concerns from nearby residents about instances where southbound buses have issues maneuvering around a traffic calming circle (roundabout) at the intersection of Country Gables Drive and 31st Avenue/Flamenco Drive. Because Country Gables Drive runs in a diagonal (northwest) direction, the turn radius from westbound Country Gables Drive to southbound 31st Avenue is tighter than at a normal intersection, resulting in some bus operators having to undertake additional maneuvers to safely make the turn. The difficulties of maneuvering the roundabout have endured over the years, despite modifications to the intersection and traffic calming features as well as training measures implemented for the route's drivers.

In response to concerns raised by residents adjacent to the roundabout, the Public Transit Department (PTD) implemented a temporary detour for southbound trips only on September 30, 2024, which utilizes Mauna Loa Drive and Banff Lane, as this routing avoids the traffic calming device and ensures no southbound bus stops are missed. Prior to the temporary detour, PTD staff conducted outreach on the two streets and at the time did not receive any concerns from residents. The detour was intended to be temporary as city staff continued to explore other detour routes that would impact as few transit riders as possible.

Mr. Simoes first contacted PTD staff with the concerns from residents on Mauna Loa Drive and Banff Lane at the October 24, 2024, meeting of the

Citizens Transportation Commission. Since that meeting, PTD has worked to devise alternate detours that can be used by southbound buses, until a more permanent routing can be implemented.

Staff Response

On November 18, 2024, PTD implemented a new detour that utilizes the southbound I-17 frontage road between Country Gables Drive and Thunderbird Road. While the new detour results in three bus stops being removed from the route, two other nearby stops (one new and one existing) will be used in their place. PTD staff conducted outreach at affected stops to alert riders of the change and the best options to board southbound Route 27 in the area.

PTD is committed to providing safe and easily accessible bus service in Phoenix and will continue to work on a long-term solution that enables southbound Route 27 to resume using 31st Avenue south of Country Gable Drive. Until then, the I-17 frontage road detour eliminates the use of the Mauna Loa Lane detour.

Options for Action

A. Accept the petition.
B. Deny the petition.
C. Other direction to staff.

Staff recommends denying the petition based on the implementation of the detour that now uses the southbound I-17 frontage road between Country Gables Drive and Thunderbird Road. PTD will continue to communicate with area residents about any other Route 27 changes.

66 ADD-ON - 2025 Downtown Enhanced Municipal Services District Estimated Assessments Public Hearing Date (Resolution 22265) - Districts 7 & 8

Request City Council set the date of December 18, 2024, for the Public Hearing on the 2025 Downtown Enhanced Municipal Services District (EMSD) estimated assessments, pursuant to Arizona Revised Statutes 48-575. The General Fund estimated annual expenditure for this program is $443,389.

Summary
The City Council authorized the formation of the Downtown EMSD in 1990 to provide enhanced public services above and beyond the level of services provided in the remainder of the City. Costs for the Downtown EMSD’s services are paid through assessments on property owners within the Downtown EMSD boundaries. The City contracts directly with

Downtown Phoenix, Inc. (DPI) to implement the work program, as described in **Attachment A,** of the Downtown EMSD. The Downtown EMSD is generally bounded by Garfield Street, 7th Street, 3rd Avenue, and the railroad tracks south of Jackson Street.

2025 Downtown EMSD Approved Budget
The work plan and budget for Calendar Year (CY) 2025 provides a variety of enhanced services in the Downtown core, including business improvement services and overall business development.

In June 2024, the Downtown EMSD Board of Directors, which includes representatives of the City and other Downtown EMSD property owners, approved the CY 2025 Downtown EMSD budget of $4,990,256. **Attachment B** includes a breakdown of the expense categories. Included in the approved budget is $167,222 for streetscape maintenance expenses, which are paid only by property owners and tenants adjacent to the Streetscape Improvement District. The Streetscape Improvement District includes certain portions of Monroe Street from 3rd Avenue to 7th Street; Adams Street from 2nd Avenue to 2nd Street; 2nd Street from Jefferson to Van Buren streets; and 3rd Street from Monroe to Van Buren streets.

The approved CY 2025 Downtown EMSD Budget of $4,990,256 represents an increase of $284,000 over the CY 2024 Downtown EMSD Budget. The increase results from a combination of growing non-assessment revenue through downtown partnerships leveraged by the district, and increased assessment revenue from the expanded boundaries. The CY 2025 assessments for the Downtown EMSD will be levied after the required Downtown EMSD approval process has been completed. Assessments are determined in proportion to the benefits received by each parcel. The proposed assessments and 2025 Downtown EMSD Diagram are based on the estimate of expenses and property data available as of April 19, 2024.
Estimated CY 2024 District Budget: $4,990,256
Estimated CY 2024 Assessment Revenue: $4,740,256
Estimated CY 2024 Non-assessment Revenue: $250,000

Public Hearing Date

It is requested that the City Council set the date of December 18, 2024, as the date for the Public Hearing on the 2025 Downtown EMSD assessments.

Financial Impact

The City's total estimated annual expenditure for this program is 1,290,391, which includes:

$443,389 from the General Fund (approximate $4,266 increase from 2024);
$632,648 from the Phoenix Convention Center;
$151,673 from the Sports Facilities Fund; and
$62,681 from the Phoenix Bioscience Core.

Concurrence/Previous Council Action

The Economic Development and Housing Subcommittee recommended approval of the 2025 Downtown EMSD work plan and budget on September 11, 2024, by a vote of 3-0.

On October 2, 2024, the City Council approved:

The 2025 Downtown EMSD Budget, Assessments and Set Public Hearing Date of November 13, 2024, for the hearing on the estimated assessments; and
The 2025 Downtown EMSD Assessment Diagram.

On November 13, 2024, the City Council authorized the City Manager, or his designee, to pay all invoices received from DPI through the Phoenix Downtown Enhanced Municipal Services District.

Public Outreach

A Public Hearing will be held for property owners to discuss the proposed assessments, costs, and services provided in connection with the Downtown EMSD. If this request is approved, the public hearing would be set for December 18, 2024, at 2:30 p.m., in the Phoenix City Council Chambers. All property owners are notified by mail of their annual assessment costs by the Street Transportation and Community and Economic Development departments no fewer than 20 days prior to the public hearing. 32 Approval of Ordinance Amending Phoenix City Code Chapter 2 - Phoenix Employees' Deferred Compensation Program (Ordinance G-7325) - Citywide

Request to amend Sections 2-1503 A(2) and B(4) of Phoenix City Code, Chapter 2, Article XXXV, (**Attachment A**) to authorize the City Manager, or his designee, to make changes to the membership of the board to include a retiree representative.

Summary

City Code identifies the current board compensation of nine members; three employees appointed by the City Council, two citizens from the general public who have investment experience and no rights to the program, two management employees, the City of Phoenix Employees' Retirement System Administrator, and the City Manager or their designee. Proposed changes would eliminate one citizen member and substitute a single retiree of the City who is a plan participant.

Retirees represent a significant amount of assets within the plan and under the current membership provisions, are not represented. This change will allow representation from the growing retiree population.

37 Phoenix Film and Digital Media Permit Fee (Ordinance G-7324) - Citywide

Request to authorize the City Manager, or his designee, to amend Ordinance G-3871 to adjust the Phoenix Film and Digital Media Permit (FDMP) fee to a category-based rate ranging up to $350. The proposed fee increase is anticipated to generate an additional $8,000 in annual revenue in Fiscal Year 2025-26.

Summary

The City of Phoenix Film Office is authorized by the City Manager to issue the FDMP to production companies to film on any public property, facility, or right-of-way belonging to the City of Phoenix, and for the release of City claims to the products of such activities. Since the current permitting system was instituted in July 1998, the Phoenix Film Office has issued over 3,100 individual permits to local, domestic, or internal production companies.

The FDMP was initially established at $50 by Ordinance G-1403 on October 8, 1974. Subsequently, on June 28, 1995, Ordinance G-3871 amended the fee to $100. This fee structure has remained unchanged for nearly three decades, despite significant changes in the film industry and municipal operations during this period. Given those reasons, a fee increase is now necessary to ensure the continued effectiveness and sustainability of the Phoenix Film Office.

The proposed fee increase aims to align the Phoenix Film Office with current industry standards and ensure Phoenix services remain

competitive while covering some administrative and operational costs for the office. The restructuring of the permit fees includes the following:

Introduction of an application fee to offset potential losses incurred when projects do not proceed to filming after initial preparations.
Implementation of a nominal permit fee for student productions, balancing administrative costs and still maintaining accessibility for educational projects.
Establishment of a rush fee for projects submitted less than three business days before the first shoot date and a material change fee for large element changes.
Transition from annual permits to per-project basis.

These adjustments aim to ensure the sustainability of the Phoenix Film Office services while maintaining Phoenix's attractiveness as a filming destination. Please refer to **Attachment A** for a detailed breakdown and comprehensive explanation of all proposed charges.

Concurrence/Previous Council Action

On October 8, 1974, the City Council passed Ordinance G-1403 establishing the Phoenix Film Office and setting the FDMP fee at $50.
On June 28, 1995, the City Council passed Ordinance G-3871 amending the FDMP fee to $100.

Discussion

Mayor Gallego declared the public hearing open. Noting no one was present to speak, she declared the public hearing closed.

A motion was made and seconded to approve this item.

Councilwoman Pastor recalled the City was proactive last year and created an accessory dwelling unit (ADU) ordinance which was held up due to language passed by the Legislature. She expressed Council had to accept this language because of new State law, noting she would be voting yes but she was not happy with the outcome.

Mayor Gallego mentioned her comments related to Items 60 and 61, and said Council had encouraged more housing and invested in transit to link key areas in the City. She conveyed Council crafted rules that permitted more multifamily homes in neighborhoods and density near transit. She emphasized the City received national recognition for its housing efforts;

however, this item was in response to the Legislature which would make affordable housing difficult. She recognized Vice Mayor Stark for her work to ensure ADUs were for housing and not vacation rentals. Mayor Gallego shared Councilwoman Pastor's sentiment in supporting this item.

Councilwoman O'Brien stated Phoenix was a leader in bringing in new housing as well as making the process quicker for residents. She stressed market issues and regulations which prevented certain types of housing needed to be addressed. She pointed out commercial zoning in Phoenix already allowed residential zoning and adaptive reuse but nothing was being built because of those issues and regulations. She suggested the Legislature focus on deregulating the market instead of penalizing cities.

Councilwoman Hodge Washington said she would be voting in favor of Items 60 and 61 to comply with State law though they were a disservice to the City. She remarked the City's versions of ADUs and prohibition on short-term rentals were created with community members over a substantive period of time. She encouraged the Legislature to work with the City in a collaborative manner as the housing issues were not being addressed with this new law.

Prior to his vote, Councilman Galindo-Elvira stated the City was forward-thinking in creating ADU policy which was approved in 2023 and now the City had to update that policy to be in compliance with new State law. He expressed this change was not in the best interest of residents and neighborhoods as it eliminated the public process and was a disservice to responsible development. He said he was voting no as government should not silence the vote of the people.

Prior to her vote, Vice Mayor Stark indicated she was voting yes as she did not want the City to be penalized financially by the Legislature. She emphasized the State had already removed important revenue sources from the City while Phoenix tried to do things right for the cause of affordable housing.

The hearing was held. A motion was made by Vice Mayor Stark, seconded by Councilwoman O'Brien, that this item be approved per the Planning Commission recommendation, with adoption of the

related ordinance. The motion carried by the following vote:

Yes: 8 - Councilwoman Guardado, Councilwoman Hodge Washington, Councilwoman O'Brien, Councilwoman Pastor, Councilman Robinson, Councilman Waring, Vice Mayor Stark and Mayor Gallego

No: 1 - Councilman Galindo-Elvira

61 **(CONTINUED FROM NOVEMBER 13, 2024) - Public Hearing - Amend Phoenix City Code - Ordinance Adoption - Chapter 10, Article XVI - Short-Term Vacation Rental (Ordinance G-7323) - Citywide**

Request to hold a public hearing on a proposed amendment to the City Code sections 10-197 and 10-204 to Chapter 10, Article XVI related to Short-Term Vacation Rentals to incorporate Arizona Revised Statute (A.R.S.) 9-500.39 requirements for obtaining a Short-Term Rental (STR) Permit.

Summary

In 2016, the Arizona Legislature removed the ability of local jurisdictions to regulate short-term rental units and required that the use be treated the same as any long-term residential use of a property. Due to significant negative impacts based upon the experience of residents living around these short-term rental uses, the Arizona Legislature enacted A.R.S. 9-500.39 authorizing municipalities to create provisions for registrations of short-term vacation rentals. The City of Phoenix adopted Short-Term Vacation Rental Ordinance (G-6653) to implement the requirement for STR owners, or designees, to register each STR rental property with the City of Phoenix, so that responsible party contact information was available if there were problems resulting from a particular short-term rental unit.

In 2022, the Arizona Legislature approved Senate Bill 1168 (SB1168) amending A.R.S. 9-500.39, which authorized cities and towns to create a very limited permit/license process to help gather better data regarding short-term rentals with minimal modifications to the ability to regulate these types of uses. The City of Phoenix adopted an amendment to the Short-Term Vacation Rental Ordinance (G-7156) to implement the requirement for STR owners, or designees, to apply for a STR permit

and meet specific operating requirements prior to the issuance of a permit as a condition for operating a short-term rental property.

In 2024, the Arizona Legislature approved House Bill 2720 (HB2720) amending A.R.S. 9-500.39, which authorized cities and towns to require the owner of a property where an accessory dwelling unit is used as an short term rental to reside on the property but only if the accessory dwelling unit was built after September 14, 2024, and either the owner did not previously have the right to build an accessory dwelling unit on their property or the three-year A.R.S. 12-1134 statute of limitations has passed.

Staff recommends approval of the proposed amendment to the City Code sections 10-197 and 10-204 to Chapter 10, Article XVI related to Short-Term Vacation Rentals to incorporate Arizona Revised Statute (A.R.S.) 9-500.39(B)(9) requirements for obtaining a STR Permit.

000 CITIZEN COMMENTS

City Attorney Julie Kriegh stated during Citizen Comments, members of the public may address the City Council for up to three minutes on issues of interest or concern to them. She advised the Arizona Open Meeting Law

permits the City Council to listen to the comment, but prohibits council members from discussing or acting on the matters presented.

Mr. Feliciano provided Spanish interpretation for Ms. Pastrana.

Rosa Pastrana thanked Councilman Galindo-Elvira for his efforts in cleaning up the community and because of that there were less homeless individuals. She expressed police officers had been communicating with the community to reduce crime in the area. She said she recently spoke with Mayor's Office staff about Maryvale community issues since the City was not collaboratively working with residents.

Councilwoman Guardado interjected Ms. Pastrana said the best employees were sent to Laveen while Maryvale did not get its fair share.

Ms. Pastrana continued she had been a volunteer for 13 years, whereas other people received payment for their services. She remarked the community needed to work with the police for success.

Councilwoman Pastor added Ms. Pastrana said the departments needed to coordinate with police for support services, specifically Neighborhood Services Department.

Mayor Gallego noted the City would follow-up on Ms. Pastrana's concerns.

Christine Adrian said she had been a City employee and COPMEA member since 1998. She requested Council have the City look into possible fraud and unethical business practices within this employee resource group. She acknowledged COPMEA did great work, but some board members should be investigated to ensure COPMEA funds and business were handled properly. She stated she had documents to substantiate the fund claims and would provide it for the investigation.

Councilwoman Pastor requested Mr. Barton obtain the documents.

City Manager Jeffrey Barton advised Audit staff had already looked into it, noting he would provide follow-up information to Council.

ADJOURN

There being no further business to come before the Council, Mayor Gallego declared the meeting adjourned at 3:10 p.m.
